# *Introduction to* **CARBONTECH2027**

---

The Global Meet on Carbon Nanotechnology and Advanced Materials (CARBONTECH2027) is an international forum dedicated to the latest advances in carbon nanotechnology, advanced materials, and their emerging applications. Bringing together researchers, academicians, industry professionals, and innovators from around the world, the conference provides a platform for scientific exchange, collaboration, and innovation through keynote lectures, technical sessions, and networking opportunities.

May 24–26, 2027 | Barcelona, Spain

# *Conference Themes & Scientific Tracks*

CARBONTECH2027 covers a broad range of topics in carbon nanotechnology and advanced materials, providing a platform for discussing fundamental research, technological innovations, and industrial applications.

- Carbon Nanomaterials
- Graphene & 2D Materials
- Carbon Nanotubes & Fullerenes
- Advanced Functional Materials
- Nanocomposites & Hybrid Materials
- Energy Storage & Conversion
- Batteries, Supercapacitors & Fuel Cells
- Materials for Electronics & Photonics
- Biomaterials & Nanomedicine
- Smart & Responsive Materials
- Catalysis & Environmental Applications
- Sustainable & Green Materials
- Materials Characterization & Nanofabrication
- AI & Data-Driven Materials Discovery
- Industrial Applications & Commercialization
- Emerging Trends in Materials Science

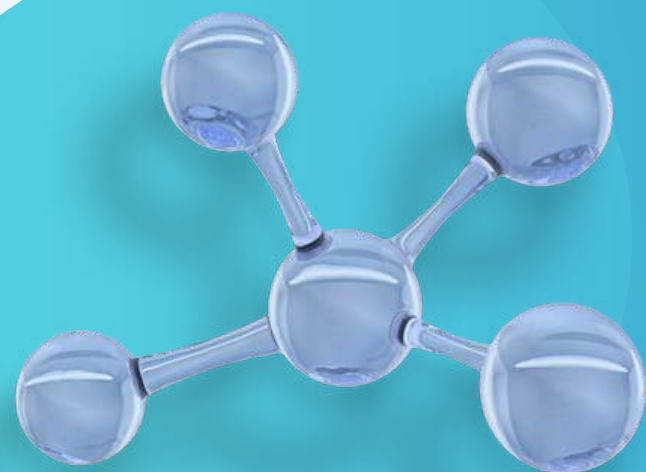

# Call for Abstracts

Share your latest research and innovations with an international audience.  
Authors are invited to submit abstracts for oral and poster presentations across  
all conference themes.

*Abstract Submission Deadline*

*APRIL 24, 2027*

# Ways to Participate

## Speaker

Present your research and share your expertise with a global audience.

## Listener / Delegate

Attend scientific sessions, network, and gain new insights.

## Student

Learn from experts, present your work, and build connections.

## Poster Presentation

Display your research and interact with fellow participants.

# Registration

Register online to secure your place at CARBONTECH2027 and join a global community of researchers, innovators, and industry professionals. Early registration is recommended.

## Early Bird Registration

Until Jul 25, 2026

- Speaker — \$849
- Delegate — \$999
- Poster — \$549
- Student — \$399

## Additional Presentation Options

- E-Poster — \$299
- Virtual — \$249

## Group Registration

Discounted rates are available for groups.

- Group of 3 — \$1899
- Group of 4 — \$2599
- Group of 5 — \$3399

## Package Benefits

**Speaker** — Presentation slot, abstract publication, certificate

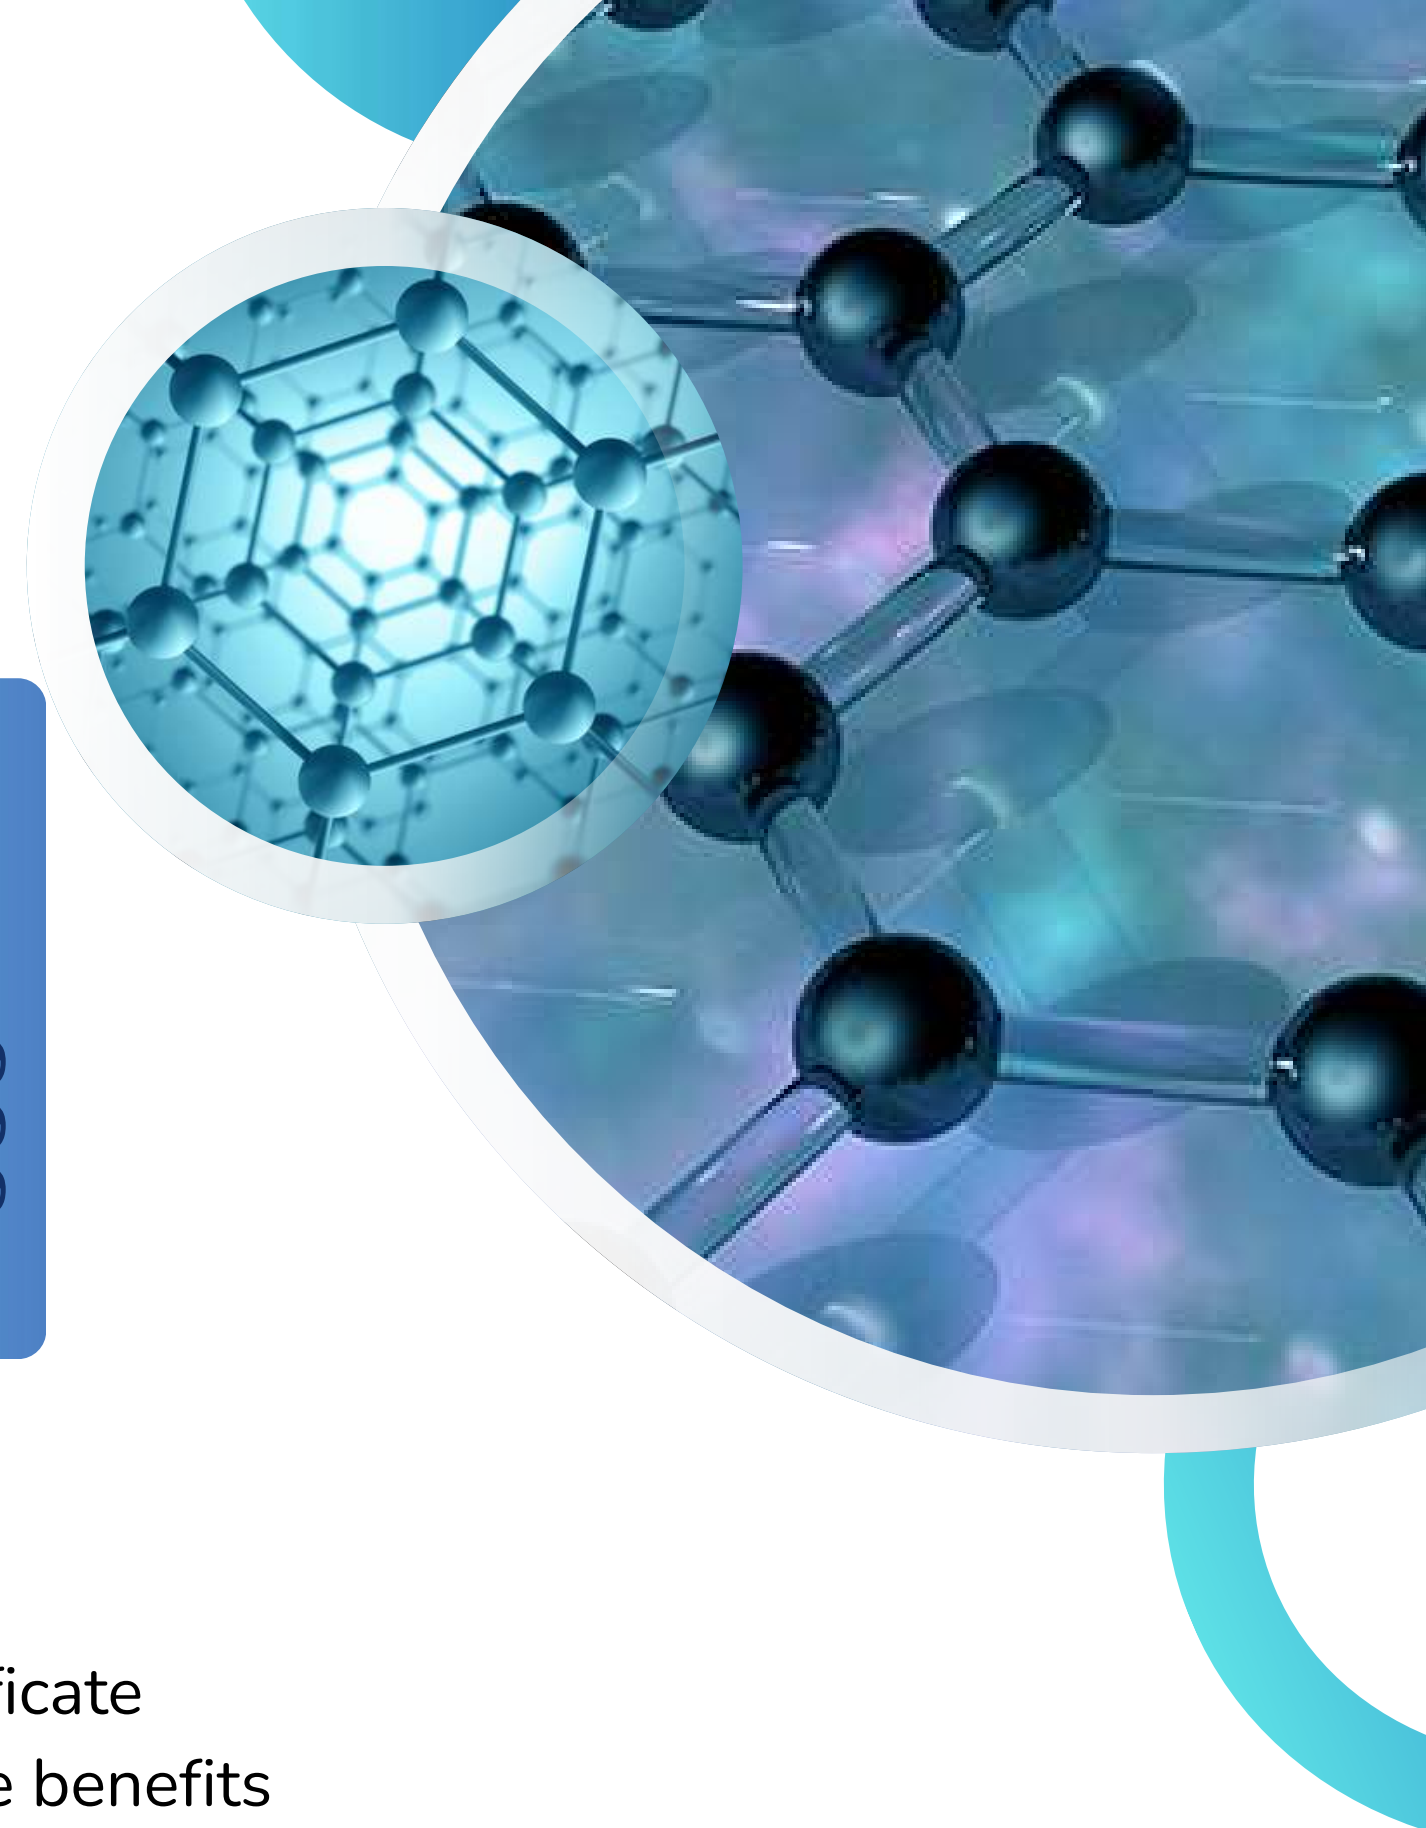

**Listener / Delegate** — Full access, networking, conference kit, e-certificate

**Poster Presenter** — Poster slot, best poster award eligibility, delegate benefits

**Student** — Session access, certificate, networking

**E-Poster** — Digital poster, online proceedings, e-certificate

**Video Presentation** — Pre-recorded presentation, abstract publication, certificate

# Exhibitor & Sponsorship

Promote your organization through our exhibition and sponsorship opportunities.

## **Exhibitor — \$3000**

Showcase your products and services to conference delegates.

## **Platinum Sponsor — \$7500**

Gain premium visibility and top-tier brand recognition.

## **Gold Sponsor — \$6000**

Enjoy strong exposure across conference materials and promotions.

## **Silver Sponsor — \$5000**

Receive valuable recognition and promotional support.
