ABOUT THE CONFERENCE

The International Connect on Renewable and Sustainable Energy is set to take place from **March 24 to 26, 2025**, in the vibrant city of **Paris, France**.

RENEWABLECONNECT2025 offers a comprehensive platform for stakeholders to engage, network, and drive positive change in the renewable energy landscape. Whether you're an established professional, an emerging researcher, or a student and delegate passionate about sustainability, this conference promises to be a transformative experience at the forefront of renewable energy discourse.

Overall, the "RENEWABLECONNECT2025" conference serves as a catalyst for driving innovation, promoting sustainability, and addressing the global energy challenges of today and tomorrow.

Join us in Paris as we connect, collaborate, and chart the path towards a greener, more sustainable tomorrow.

FOR SPONSORS & EXHIBITORS

Infinite Minds specializes in orchestrating global conferences that bring together various disciplines to showcase groundbreaking research outcomes in life sciences, encompassing fields such as medicine and the diverse realms of science and technology worldwide.

Elevate your brand's presence and enhance the Infinite Minds experience by seamlessly integrating your products. This not only highlights the authenticity of your brand but also garners significant third-party recognition, influencing a broad spectrum of industry stakeholders, including influencers, the press, and creatives. By opting for a Sponsorship package, your brand commits to delivering experiential relevance and value to a vast audience of industry influencers, including their millions of collective followers, all of whom have come to expect nothing but excellence from us.

Infinite Minds provides various sponsorship packages, allowing sponsors/exhibitors to demonstrate their commitment to advancing science and supporting its community. Through financial contributions, sponsors facilitate the presentation of noteworthy research findings, extend hospitality, and contribute to the overall management of the scientific gathering.

Envision this partnership through the lens of distinguished individuals on a global scale, where your brand aligns itself with the pursuit of noble scientific endeavors.

WHY SPONSOR OUR EVENT?

- Promote your presence in the exhibit hall at your designated table.
- Increase your visibility on the RENEWABLECONNECT2025 conference and gain online exposure on the conference page and associated marketing materials.
- Engage with the RENEWABLECONNECT2025 Attendees.
- Take advantage of the opportunity to gain knowledge and gather new ideas by attending the conference sessions.
- An economical method to strengthen your company's brand and enhance brand recognition within a targeted audience.

ABOUT VENUE

Paris, the capital city of France, is a globally renowned destination known for its rich history, culture, art, and architecture. It is referred to as the “City of Light” (La Ville Lumière), is one of the most iconic and culturally rich cities in the world.

Paris has a rich history that spans over two millennia. It was founded by the Gauls around the 3rd century BC, later becoming the capital of the Kingdom of France.

It is a popular destination for conferences and events, attracting professionals from various industries around the world. Paris offers a wide range of accommodation options to suit various budgets and preferences, from luxury hotels to boutique accommodations and budget-friendly hostels.

Beyond conferences, Paris is renowned for its rich history, art, culture, and iconic landmarks such as the Eiffel Tower, Louvre Museum, Notre-Dame Cathedral, Montmartre, Latin Quarter, Musée d’Orsay, Palace of Versailles, Saint-Germain-des-Prés and Champs-Élysées. Conference attendees often have the opportunity to explore these attractions during their free time, adding to the overall experience of visiting the city.
