

Monday March 23, 2026 Rome Time Zone (GMT+1) Virtual Program		
11:00-11:30	P	Title: Will be Updated Soon
		Eunsuk Yang , Jeonbuk National University, South Korea
11:30-11:50	I	Title: Later Temporal Attention in Computer Aided Medical Diagnosis
		Jiaxin Cai , Xiamen University of Technology, China
11:50-12:15	I	Title: Threats of Artificial Intelligence to The Humanity
		Fadhil Mukhlif , Northern Technical University, Iraq
12:10-12:35	K	Title: Agentic AI & Autonomous Governance
		Noor Zaman Jhanjhi , Taylor's University, Malaysia
12:35-13:00	K	Title: Deep Convolutional Neural Network (CNN) for three-dimensional (3-D) Objects Classification Using Phase-only Digital Holographic Information
		Uma Mahesh R N , ATME College of Engineering, India
13:00-13:25	K	Title: Teaching Robots to See and Act: The State of Play in Video Language Models
		Oliver King-Smith , CEO & Founder of SmartR AI, Germany
13:25-13:50	K	Title: Artificial Intelligence – A Fatal Misnomer
		Friedhelm Jöge , Independent Scientist, Germany
13:50-14:10	I	Title: New Quantum World
		Sapogin LevGeorgy , Taganrog Radio-technical University, Russia
14:10-14:30	I	Title: Generative Artificial Intelligence for Cyber Security
		Farah Jemili , University of Sousse, Tunisia
14:30-15:00	P	Title: Will be Updated Soon
		Bhavana Kaushik , University of Petroleum and Energy Studies, India
15:00-15:30	P	Title: Secure and Distributed Communication on Swarm Autonomous
		Adnan Fatih Kocamaz , Inonu University, Turkey
15:30-15:55	K	Title: Human–Robot Collaboration: AI That Works With Us
		Zakir Hossen , Kingdom University, Bahrain
15:55-16:15	I	Title: Engineering Rehabilitation: Simulation-Based Design of Cable-Driven Exoskeletons for Post-Stroke Gait Recovery
		Rajan Prasad , Khalifa University, UAE

16:15-16:35	I	Title: Issue of the fusion between neuroscience and robotics
		Luiz Moutinho , University of Suffolk , England
16:35-17:00	K	Title: The Future of Autonomy Physics is Interdependent Uncertainty, not Cognitive Science
		William Lawless , Paine College, USA
End of the Conference
